Work Experience

Pepito Supermarket - Kuta

Nov 2025 - Sekarang

Talent Management

Pepito Supermarket is a premium supermarket brand founded in 2001 in Bali, now operating 43 stores across Bali and Lombok with 2,500+ employees. Guided by the motto "Freshness, Quality, Customer Satisfaction," Pepito delivers high-quality local and imported products with world-class service.

- Managed talent and internal mobility processes for 15–25 promotion candidates monthly, covering talent identification, psychological and technical assessment, readiness evaluation, acting programs, and panel-based evaluation for supervisory and managerial positions.
- Supported the development of the leadership pipeline and talent pool across multiple organizational levels by assessing employee readiness, competency gaps, and development needs.
- Conducted and interpreted psychological assessments for internal promotion candidates and external managerial-level candidates, providing assessment insights to support talent and selection decisions.
- Conducted Training Needs Analysis (TNA) and developed Individual Development Plans (IDPs) based on assessment results, performance gaps, and identified development needs.
- Coached employees in preparing KPI-driven business improvement projects and supported their presentation and panel evaluation as part of the promotion process.
- Developed HR dashboards and data visualizations using Excel, Lark, and Power BI to monitor workforce, talent, training, and employee metrics.
- Maintained talent program documentation and employee tracking to support accurate, structured, and data-informed talent decisions.

DNI SKIN CENTRE INDONESIA - Denpasar

Aug 2025 - Nov 2025

HR Generalist

DNI Clinic is a dermatology and aesthetic clinic network based in Indonesia, providing professional skin, beauty, and wellness treatments. The company operates 13 branches across several cities and focuses on delivering dermatologist-supervised aesthetic services with modern technology and quality skincare standards.

- Managed end-to-end recruitment for 10–15 positions monthly across 13 branches, including job posting, candidate screening, interviewing, selection, and onboarding, maintaining an average one-week hiring turnaround.
- Managed HR administration and monthly payroll for 70+ employees, including attendance, leave, BPJS Kesehatan, and BPJS Ketenagakerjaan administration, maintaining zero payroll discrepancies.
- Utilized HRIS to manage employee attendance, leave, and time records, improving data accuracy and reducing manual processing time by 40%.
- Supported performance management through weekly KPI evaluations, performance reporting, employee recognition initiatives, and monitoring of employee compliance with company regulations and SOPs.
- Organized and coordinated 10+ employee training sessions covering product knowledge, SOP refreshers, and advanced clinical procedures for doctors and therapists.
- Managed operational permits including NIB, WLKP, SIP, SIPA, and SIA across 13 branches, ensuring regulatory compliance.
- Coordinated facility maintenance, cleanliness audits, and vendor relations across branches, contributing to a 30% reduction in service downtime through proactive issue handling.
- Compiled HR and operational reports covering attendance, payroll, compliance, and maintenance to support management decision-making.

CreKids - Semarang

Aug 2024 - Jul 2025

Trainer

Crekids is an educational institution specializing in creative training programs for children, particularly those in kindergarten and elementary school. One of its flagship programs, C-Robo, focuses on introducing basic robotics to enhance creativity, problem-solving, fine motor skills, and concentration, while also fostering positive attitudes and social behavior.

- Designed and delivered robotics-based learning programs for 70 students weekly across 10 schools in Semarang, implementing a learning-through-play approach to enhance engagement and development.
- Developed age-appropriate curricula and instructional materials that fostered creativity, problem-solving, and fine motor skills among

early learners.

- Organized and facilitated monthly robotics workshops and inter-school competitions involving 50–70 participants from 10–15 schools, coordinating event logistics and managing participant engagement.
- Collaborated with school management to design learning initiatives aligned with institutional goals, demonstrating early exposure to strategic planning and stakeholder coordination.
- Conducted learning evaluations and feedback sessions to continuously improve teaching delivery — reflecting skills in process improvement and performance monitoring.

HR Publik - Semarang

Oct 2024 - Dec 2024

Trainer (Project Based)

HR Publik Indonesia is a human resource development and organizational management company that provides psychological assessment, training, and people development programs. The company focuses on enhancing individual, team, and organizational capabilities through strategic and evidence-based HR solutions.

- Designed and facilitated a one-day institutional training program for 100+ academic and administrative staff at STIKes Telogorejo, focusing on strengthening organizational core values through experiential learning.
- Developed interactive training modules and outbound-based activities to enhance teamwork, communication, and alignment with institutional culture.
- Collaborated with the organizing committee to ensure smooth event execution, including logistics coordination, participant management, and time flow monitoring.
- Delivered post-training reflections and evaluations to measure participant engagement and identify key areas for continuous development.
- Contributed to fostering a positive learning atmosphere that encouraged collaboration and strengthened staff commitment to institutional goals.

LPT (Lembaga Psikologi Terapan) Indonesia - Semarang

Feb 2024 - Jul 2024

HR Consultant & Asisstant Psychologist

LPT (Lembaga Psikologi Terapan) Indonesia is a professional psychological consulting institution that provides comprehensive services in psychological assessment, counseling, and human resource development. The organization collaborates with individuals, educational institutions, and companies to support personal growth, career development, and organizational effectiveness across Indonesia.

- Supported end-to-end recruitment and selection processes for multiple client organizations, including job posting, CV screening, psychological assessment, behavioral interviews, and onboarding.
- Conducted 3–5 psychological assessment and interview sessions daily, administering, scoring, and interpreting psychological instruments to support candidate profiling and recruitment decisions.
- Administered, scored, and interpreted various psychological assessments, including WISC, BINET, PAPI Kostick, DISC, IST/TIKI-T, Pauli, Kraepelin, MSDT, KUDER, RMIB, NST, and WPPSI, ensuring accurate and structured candidate evaluation.
- Facilitated large-scale selection projects involving 200+ participants, including Bank Indonesia scholarship selection and Trans Jateng/ Trans Jatim recruitment, coordinating assessment sessions, collaborating with senior psychologists, and compiling evaluation reports.
- Served as tester and scorer for PPLOP athlete psychometric evaluations involving 150+ participants, maintaining assessment accuracy and confidentiality throughout the process.
- Supported onboarding and orientation for newly recruited candidates, contributing to a smooth transition from selection to employee integration.
- Co-led two psychoeducation programs reaching 100 participants, supporting program delivery, participant engagement, and post-program evaluation.
- Supported process improvement in recruitment and assessment workflows through procedure documentation and coordination between HR and psychology teams.

Rumah Konsul Indonesia - Yogyakarta

Nov 2022 - Jan 2023
